I am performing all the work for which the building permit was issued.

I am not hiring, paying or compensating in any way the individual(s) that is (are) performing all the work for which the building permit was issued or helping me perform such work

I have homeowners insurance policy that is currently in effect and covers the property listed on the attached building permit and am hiring or paying individuals a total than 40 hours per week aggregated hours for all paid individuals on the job site for which the building permit is issued.

I also agree to either: acquire appropriate workers' compensation coverage and provide appropriate proof of that coverage on forms approved by the Chair of the NYS Workers' Compensation Board to the government entity issuing the building permit if I need to hire or pay individuals a total of 40 hours or more per week (aggregate hours for all paid individuals on the job site) for work indicated on the building permit, or if appropriate, file a WC/DB-100 exemption form; OR have the general contractor, performing the work on the 1, 2, 3 or 4 family, owner-occupied residence (including condominiums) listed on the building permit that I'm applying for, provide appropriate proof of workers' compensation coverage or proof of exemption from that coverage on forms approved by the Chair of the NYS Workers' Compensation Board to the government entity issuing the building permit if the project takes a total of 40 hours or more per week (aggregate hours for all paid individuals on the job site) for work indicated on the building permit.
