*Hermon, organized as Depeau in 1830 by the NYS Legislature  
renamed in 1834 to Hermon*

Special Mention: This month there were several genealogical inquiries to the Hermon History Center, but one stood out for us. Wayne Wagner stopped by with his wife Tammy, vacationing at their camp on Trout Lake. Up from Ticonderoga, Wayne was interested in the Austin side of his family, although he is related in one way or another to many of the Hermon families.

As it turned out, we spent several hours going through a variety of resources including genealogical cards, old assessment books, and maps with little or no new information from our end, but Wayne was a wealth of information for the Center.

He has a wonderful sign up in his camp that he found when working on it which speaks to the Beechwood Park property (c. 1900) on the shores of Trout Lake and he shared tidbits of information and stories from many of his Hermon relationships.

Thank you for stopping by, Wayne and Tammy – and sharing your wealth of knowledge with the Hermon History Center.
