Hermon Historian Town Board Report
October 7, 2025

- Good news! We have been awarded a grant from the Pomeroy Foundation in the amount of \$ 2050.00 for the purchase of a new Historical Road Marker. I was notified on September 15, 2025 of the news in a letter from the Foundation.

This award comes on the heels of the application that I submitted, having satisfied the requirements with the proper research and documentation.

The check has arrived which I have submitted to Cathy Race and upon ordering the Marker, we will make plans for its installation sometime in the future when convenient for all.

The purpose of the marker is to celebrate the Plank Roads of Hermon that connected the road in Marshville from the Elm Street Bridge to Canton and Edwards and initiated substantial investments in the two Plank Road Corporations formed in our thriving town.
